Dear Jason,

Thank you for developing an exciting and creative proposal to enhance undergraduate research, scholarship, and creative activity in our students. You have been awarded a Be Curious Mini Grant in the amount of \$372.00 to be used as indicated in your mini grant application. Funds are available thru the Office of the Provost and may be requested as a purchase order or a reimbursement of a purchase with receipts. Please contact Melissa Primm with your request and indicate that the purchase is part of the Be Curious Mini Grant awards for Spring 2019 implementation.
